TAX RECEIPT PROGRAM

One of the most frequently asked questions the BCSSA Office receives from Clubs each season is this:

Can we get a tax receipt for a person or company making a donation to our club?

The answer is YES. Thanks to Speed Skating Canada.

SSC provides tax receipts for cash donations for as little as 10.00 (not for collateral items of service in kind).

Here's how it works:

- Have the donor make the cheque out to Speed Skating Canada.
- You mail the cheque to the BCSSA Office along with:
 - name of person or company tax receipt is to be issued to
 - address where the tax receipt is to be mailed to
- BCSSA will forward everything to the National Office.
- SSC will issue the funds (minus 1.00 administration fee) back to the BCSSA.
- BCSSA will deposit the funds and reissue the entire amount to the club.
- SSC will send the tax receipt to the donor.

Funds are usually returned to the club within 6 weeks. It may take longer for SSC to process the tax receipt.
